

Hand 2 Heart Inspirations and thank you messages!

Holding Hands wanted to share a few thank you's from the years. Each family, child and individual we have come in contact with through the years has touched our hearts. Everyone comes into your life for a reason and we have learned many life lessons from them. We hope they continue to pass the chain of good deeds in their lives. Love & you will be loved!

Deserving Home Makeover

First I would like to thank God for sending your foundation my way. This has been an experience of love and happiness for my family. I never thought that this would happen to us like this but we are so, so, so happy and grateful. Thank you to everyone who helped us Ms. Alyson, Ms. Mau, Best Buy, and Home Depot. If I didn't mention someone believe me I'm so overwhelmed. Thank you from the bottom of our hearts. Thank you for the gifts also. If I have said thank you so many times it's because my home has been filled with so much love and for all that help put more love into my home. God bless you! Everyone has been so good to us, we really don't know how to stop being so happy and thankful. This is a change of goodness and no words cant explain how I feel I just love each and everyone who gave their hard time to help or home become the home it is now more cozy and beautiful. With this world being so crazy and with the economy and recession going on people still have hearts to help other people out like us. We will never forget this lovely feeling. That is why I try to so much love and righteousness in my family and myself. This is because my mother always told me that when you are good to others and be patient with others, one day you would be blessed with the things you never thought would happen and look at us now. We were blessed and it's so unbelievable. So thank you again everyone and like I've said before Thank you, Thank you and God bless every hand and heart that has entered my home.

Love Forever
Love Always,

The Terry Family

Holding Hands Foundation is the best!

Family Holding Hands helped at Christmas – March 26th 2008

Dear Friends,

At Christmas time your organization helped our family make sure the children had gifts. Thank you so very much for the kindness and effort that you dedicated to our family. It was humbling to be in such a situation and it was wonderful to see others care. We informed our children of your deeds in a continuing effort to teach them generosity and kindness.

Grace and Gratitude.

Easter party at a local after school program - March 11th 2000

Dear Holding Hands,

Thank you for the party. The bounce house was a lot of fun. I couldn't wait to have a snow cone. My t-shirt is colorful. I got money in some of my eggs. You don't know how much the party meant to me. I really like my Easter bucket. The toys and goodies were amazing. I found so many eggs that I couldn't eat them all. I really appreciate your kindness and generosity.

Thank you,

Ashanti
